

### Poster Preparation Instructions

- 1) The anticipated size of poster panels is 210 cm tall × 90 cm wide. Please create a poster so that it will fit inside the panel.
- 2) The Secretariat will prepare the panel with only the presentation number at the top.
- 3) Pins to attach posters to the panels will be provided at the conference.
- 4) Speakers are responsible for writing the presentation title, speaker name(s), and affiliation(s) horizontally within a 20 cm by 70 cm space.
- 5) In a large, easy-to-understand manner, the posters should present the Main Points, Purpose, Methods, Results, and Discussion, all in that order.
- 6) The text should be written in a large font that can be read from two to three meters away, while the diagrams should be at least 20 cm on one side and include a title and a brief explanation.
- 7) Whether or not a speaker has conflicts of interest (COI), they must include their COI disclosure on the poster. Please refer to the Conflict of Interest (COI) disclosure section for more details.  
Please note the COI disclosure is a MUST; presentations without the COI disclosure will not be allowed.
- 8) The panels cannot be written or drawn on directly, nor can items be glued to them.
- 9) Please make your poster in English.
