### ② Introduction of the Contents

This workshop consists of 2 sections.

In the 1<sup>st</sup> section, following the mini-lecture of “Challenges & supports for immigrants in Japan”, participants will share situation of occupational therapy for immigrants in each country by groupwork.

Then, in the 2<sup>nd</sup> section, after introducing “Occupational Therapy Framework for Immigrants 2.0”, we have group discussion to improve the Framework.

Totally, we explore how occupational therapy should be for immigrants through this workshop.
